There are nine tastefully appointed bedrooms, six bathrooms, outdoor patios and dining areas. Two upper decks for viewing our spectacular scenery and local wildlife.

Dining options include use of our full service kitchen as well as several fine local restaurants to choose from. You may also elect to have your event catered by Pinecrest Catering.

Outdoor recreation areas allow for seasonal family activities as horseshoes, badminton, croquet and volleyball. The Palmer Lake area also offers hiking, biking on local mountain trails, fishing, horseback riding, snowshoeing and cross country skiing.
